

TITLE	Senior Accountant		
REPORTS TO	Controller (Denver, CO USA)	LOCATION	Denver, Colorado
DESCRIPTION	<p>The Senior Accountant (“SA”) will be focused on supporting the Company’s accounting and compliance functions across our portfolio of corporate, fund, and project entities. Primary responsibilities include general accounting, financial reporting, and compliance. The individual supports the accounting team in the United States and Japan. Ultimately, the SA is responsible for accounting and fiscal activities associated with GSSG’s global operations, ensuring accurate record keeping and reporting, as well as ensuring compliance with all applicable guidelines and corporate policies. This position requires interaction with multiple project stakeholders; the ability to review, interpret and manage financial reporting; and accounting expertise overseeing projects in various stages of development, construction, and operations.</p> <p>This is a full-time exempt position. Office hours are Monday through Friday.</p>		
DIVERSITY	<p>GSSG Solar’s success stems from an ability to evaluate risk from a variety of perspectives. We believe that fostering an environment where a diverse team collaborates effectively, results in innovative approaches to solving problems, new strategies to employ, and overall excellent work. As such, we are committed to attracting top talent from a diverse candidate pool and are actively seeking to add team members with myriad lived experiences. The successful candidate will share this passion for an inclusive workplace and is encouraged to share their own vision and approach to workplace diversity in any response.</p>		
ESSENTIAL FUNCTIONS	<p>The essential functions of this position are:</p> <ul style="list-style-type: none"> - Perform accounting tasks for GSSG’s domestic and foreign entities. Includes maintaining general ledgers, inspecting books for accuracy, processing payables & receivables, organizing and documenting financial records, and performing monthly account reconciliation. - Maintain financial records for monthly reporting to management, preparing financial statements, and ensuring compliance with applicable guidelines. - Support the accounting department in the preparation and filing of all tax submissions and audit activities through engagement with the accounting department and external accounting firms operating in the local jurisdictions. - Assist the accounting and asset management teams to manage and ensure compliance with all financial covenants or related items that have reporting and compliance requirements. - Dedication to continuously improve the automation of the accounting and reporting process. - Develop written accounting procedures and train department team members. 		

EXPERIENCE	<p>The successful SA will have:</p> <ul style="list-style-type: none">- 5+ years working in an accounting role, preferably with real estate or asset management experience. Private equity experience a plus.- End-to-end accounting experience required including all general ledger, reconciliations, month closing, A/R, A/P, and other functions.- Demonstrated experience working in a high-paced, growth environment.- Experience working with cross functional and international groups in different locations.- Experience in a small firm (< 25 people).
EDUCATION	<p>A Bachelor's degree in accounting from an accredited university.</p>
SKILLS	<p>The following skills are expected for this position:</p> <ul style="list-style-type: none">- Independent thinking, confidence, motivation, and passion for working with a world-class team.- Good relationship builder with excellent communication skills.- Cultural awareness and sensitivity.- A team player with a good attitude who is excited to work for a small company requiring more efficient execution and resource utilization.- Flexible and adaptable to shifting responsibilities.- Must be ethical in all regards, open to teamwork, patient, dedicated, and determined.
TRAVEL	<p>The role is based in Denver, CO and anticipated to require limited travel (< 1%) based on the ability to communicate and coordinate through web-based communication systems; however, the Company is international, and the employee may be asked to travel abroad for corporate retreats or training.</p>
CONTACT	<p>GSSG Solar, LLC is an investment firm that recognizes that our core asset is our team of investment professionals.
